”HOW I MET MY BEST FRIEND

We met a long time ago when I was a kid. I didn't know him very well. At the time he was more like a figure than a person. He had an important position in his household and in time I moved away to another state where believe it or not our paths crossed again. I was astonished that he appeared back in my life again and this time I came to know him a little more than before. But, before you knew it, I had moved away again. I met some people in this new place I lived at and it was incredible that they too knew him. I couldn't fathom how well known he was and how much he got around and don't you know, I met him again. And this time we stayed together where we learned about each other. As time has gone on and I'm now turning 64 he is still my best friend and I'm thankful that I met him. He is a very caring person and he loves all that is good. I think you might know him, or maybe you've met him along the way, or maybe even a time long ago. I'm sure he still knows you. His name is Jesus and he is the Son of God who died for our sins so we could be with him forever in Paradise. Won't you come to know him? I did and I'm glad.
