IS JESUS REALLY COMING BACK????

Ok, here comes a real serious question... Do you believe that Jesus Christ will come a second time? Think hard before answering that question. It is probably the most important question you will ever answer. There are many professed Christians that do not believe that Jesus will be returning a second time. It makes me wonder what Bible people are reading when their answer to the question above is "no." The Bible that I am reading teaches that Jesus will return a second time.

There are many reasons the Bible gives as to why we can be confident that Jesus will come again. I will share just four. One reason is because Jesus promised it. Matthew 16:27 says, "The Son of Man is going to come in his Father's glory with his angels, and then he will reward each person according to what he has done." That tells me that Jesus will be returning to judge all of mankind. The second reason is because the angels promised it. According to Acts 1:11, after Jesus ascended into heaven, two angels said to the apostles, "This same Jesus, who has been taken from you into heaven, will come back in the same way you have seen him go into heaven." Are the angels just pulling our leg or are they telling the truth? The third reason I believe in the return of Jesus is because the inspired New Testament writers promised it. Hebrews 9:28 says, "Christ was sacrificed once to take away the sins of many people; and he will appear a second time, not to bear sin, but to bring salvation to those who are waiting for him." Did the Holy Spirit lead these men astray or is what they said the truth? The fourth reason I believe Jesus is coming again is because of the Lord's Supper that we observe each Sunday. 1 Corinthians 11:26 says, "For whenever you eat this bread and drink this cup, you proclaim the Lord's death until he comes." The Lord's Supper was instituted to proclaim the Lord's death until He comes, a second time.

One day, Jesus Christ, will return to claim His own. Will I be ready? Will you be ready? It may not be within the next 10 years, 100 years, or 1,000 years, but He will return. If the Lord delays His coming for one million years not one word in the scriptures is proved wrong. 1 Thessalonians 5:1-2 says, "About times and dates we do not need to write to you, for you know very well that the day of the Lord will come like a thief in the night." God created time and is above all time. When He decides the time is right, Christ will return. Do you believe it?
