C.S. Lewis once said, "Of course it should be pointed out that, though all salvation is through Jesus, we need not conclude that He cannot save those who have not explicitly accepted Him in this life. And it should (at least in my judgement) be made clear that we are not pronouncing all other religions to be totally false, but rather saying that in Christ whatever is true in all religions is consummated and perfected"

Christ is the center to everything that we do. He is our firm foundation. He is our rock; He is our King. We must remember that in all that we teach, we bring Christ as that connection piece. Most people know *of* Jesus, but we want to help others know *who* He is! He's already laid the foundation down the best out of anyone ever (1 Corinthians 3:11) and we can choose whether or not to have that foundation in our homes and families (Matthew 7:24-27).

If you're following Jesus now, obeying His gospel, and have washed away your sins through baptism, then you're off to a great start! Keep growing in His word, in His teachings, and help others on their journey too!
